

## Back To School

If you or your children are headed back to school this fall, keep First National Bank in mind for all of your financial needs & services.

Here are a few of the FNB tools offered to help make your life, as well as the life of those you love, more successful & less stressful!

- Mobile Banking
- Debit Card(s) and ATM Card(s)
- On-Line Banking
- Bill Pay Services
- Tele-Banking

## New Website Launch

On June 27, 2014, First National Bank launched a new website, with a whole new color scheme, look, and feel! These changes will provide you even easier access to the many services that you have come to know and utilize from the comfort of your home, mobile location, or anywhere you choose to access the web. The website address has not changed. It can still be found at [www.fnbnokomis.com](http://www.fnbnokomis.com)

To access the Internet Banking feature, under the logo is the online banking login form. Type in the User ID and click continue. The site will take you to familiar territory, known as the Internet Banking site. The Internet Banking site has not changed. You will see the same familiar screens once you get past the input of your User ID. The website has different calculators to aid you in deciding your next loan payment or even what your return will be when you purchase a certificate of deposit. Additionally, you can now use the website to order checks and deposit slips with just a click of the mouse.

All of the employees of the First National Bank are here to help you as you navigate the new website. Please, contact any of the three locations, Nokomis, Moweaqua, or Arthur with any questions. We are here to serve you!

## Employee Spotlight

Rachel Hill joined the First National Bank as a teller in October 2013. Rachel lived in Nokomis until she was 4. She and her family then moved to Taylorville where she attended Taylorville schools and graduated in 2007. Upon graduating, Rachel attended Lincoln Land Community College and was focusing on a degree in elementary education. She then decided to move into retail. Rachel was an Assistant Manager with Dollar General and worked her way up to Manager before deciding to come to work at the First National Bank of Nokomis. She is looking forward to taking care of your banking needs. Rachel and her 2 year old daughter Laurelie currently reside in Nokomis. She is the daughter of Rusty Hill and Cathleen Hill.

We Appreciate Being YOUR Bank

2014

## Salute to Service

**Linda Zupanci**

Linda Zupanci began her 36 year career with the First National Bank of Nokomis, on July 27, 1978. She began her work as a drive up teller, and then six years later she began doing audit work. In 1998, she furthered her career by becoming a loan officer and continuing her audit work. In 2009, Linda became the BSA officer and auditor. In July, Linda will begin to work toward retirement, as she will maintain part time employment a few days a week.

Linda has two children, Chris, his wife Diane, and Bonnie, her husband Mark. Bonnie and Mark have blessed her with two grandchildren, Brennen & Madelyn.

Linda plans to spend more time with her family and friends. Additionally, she is planning to travel, read, garden, and be outside even more.

During her career her greatest

accomplishments have been making friends over the years; serving her customers by helping them get their first home, new vehicle, or solve a problem; and working with her second family, the bank employees. She says, "I have enjoyed working for First National Bank for 36 years. I have a lot of fond memories of the daily life in the bank and of all the many employees I have worked with. The Management and the Board of Directors have always supported me in the good times, as well as the bad times.

Thank you Linda for your dedication, enthusiasm, & integrity that you have provided to help the First National Bank succeed! We wish you well as you start this next chapter of your life!

## Home Improvement Loans

Buying a home is a major investment. One of the best ways to safeguard that investment is by putting money into home improvement. Homeowners who get a home improvement loan can add space with an addition, renovate a room or take care of major projects like a new roof or repairing a foundation. This investment will make a home more appealing to prospective buyers and also increase the fair market value of the home.

Homeowners can use home improvement loans for many different types of projects. These include basic maintenance like repairs and cleaning, as well as updating a home and make it more modern or spacious. Purchasing energy-efficient appliances and fixtures can help lower utility bills and make the home appealing to environmentally conscious buyers. An addition, which can range from a single room to a large wing, is a major home improvement that will add the necessary space for a growing family.

Come in and talk to us about your list of what you would like to accomplish on your home. Our loan officers are willing and ready to discuss the options that are available to finance your wish list. We offer a variety of terms that can work for your budget and help you accomplish your goals.
