It's Vacation Time!!

Here at First National Bank, we know our customer's need a relaxing, laid back vacation, and that's just what we intend to help you do, with our Shazam Debit Card.

Debit cards are an easy and convenient method of payment while taking a vacation. A few things to remember when planning to use your debit card on vacation are:

- Fill out a Notice of Travel sheet at FNB before leaving on vacation, as Shazam does monitor your activity on your debit card, and if unusual, out of the ordinary activity is detected, Shazam will call you with an inquiry.
- Know your daily limit. With most of our debit cards the standard limit is \$1000.00 P.O.S. daily and \$250.00 of that can be taken as cash.
- For your convenience the 1-800-383-8000 customer service number is on the back of your card. Of course, you will need to keep this number in a safe place, along with another listing of important card number, names, and dates, if the card is lost or stolen.

Have a safe and happy vacation knowing your money is safe and secure at FNB!
